

Welcome to the Crook Farm Country Fair 2015

The Fair has been a tradition each summer since 1979, when the Bradford Landmark Society Board of Directors decided to create an old fashioned country fair at the Crook Farm homestead that would showcase our artistic local craftsmen, area musicians, and great food found in our area.

Thirty-six years later we have grown into a lively community festival that draws thousands of people each year to the historic Crook Farm to listen to Blue Grass and Folk Music, sample delicious food, shop among the vendors with their wide variety of crafts, and enjoy the weekend in a beautiful rural setting.

For many people, it is the perfect way to wrap up the summer fun before autumn and winter arrive.

Thank you

for your continued support.

Welcome back, once again,
