

BRADFORD LANDMARK SOCIETY MEMBERSHIP

Membership in the Bradford Landmark Society is a fantastic way to directly contribute to the Society's efforts in preserving the history and heritage of the Bradford area and the Tuna Valley.

Your support allows us to research the past, helps to acquire artifacts, expand our collection of photographs and historical documents and maintain both the Herbig Bakery and the Crook Farm complex.

The Society hosts various events throughout the year, including lectures, the Creative Women Workshops and festivals like the Patriotic Music Concert and Crook Farm Old Time Music Festival. We also offer educational programs like the Crook Farm School Program for schools and community groups.

In addition, every member receives a free subscription to our quarterly newsletter, *The Inkwell*, outlining the news of the society and offering entertaining and educational articles on local history. And check out our webpage, www.bradfordlandmark.org and Facebook pages, Bradford Historical Landmark Society and Crook Farm!

We offer single, family, patron and business memberships to fit any budget. If you are not yet a member of the Bradford Landmark Society, this is an excellent time to join. If you have been a member in the past, thank you so much for your support!
